Welcome to the European University Viadrina!

We are pleased that you have decided to study at the European University Viadrina in Frankfurt (Oder).

The Language Centre (department of German language) at the European University Viadrina and viadrina sprachen gmbh offer you the opportunity to attend a four-weeks German course before the semester begins.

We invite you to arrive in March 2023 at the Viadrina, to get to know the university and to improve your German language skills. Here you will learn German with other international students from all over the world before the studies begin and you will discover Frankfurt (Oder) and the region.

This intensive course is promoted and co-financed by the European University Viadrina and costs for exchange students and other students of the European-University Viadrina only € 200.
